

215 DRY TRIMMER

Gentle. Quick. Quiet.

MACHINE SPECS

The 215 Dry Trimmer was designed to closely mimic the act of hand trimming your harvest while increasing the consistency of your harvest process.

At 20 RPMs the 215 Dry Trimmer was primarily designed to be gentle and quiet, the 2-4 points per hour capacity allows you to trim your flower as quick as anyone in the game.

The forward/reverse switch and adjustable timer, allow more control over your process. While the stainless steel & HDPE design help prevent microbial growth on your flowers.
