

PRECISION BATCHER

Accurate Weighing. Exact Batching.

MACHINE SPECS

GreenBroz has partnered with Green Vault Systems, the world leaders in cannabis packaging. The Precision Batcher is the only specifically designed weight batcher for the cannabis & hemp industry, delivering ultra-tight tolerances and capacities that increase overall product value, while reducing labor and handling costs.

The Precision Batcher also allows for consistency and predictability in your final packaging, providing your customer with a consistent product, every time.

Capacity: capable of 800-1000 packages per hour

Batch Sizes: User Defined (i.e. 1g, 2g, 3.5g+)

Max Product Length: 60mm (2.25")
