

# SILVERSTAR CMH REFLECTOR 315W BALLAST SYSTEM

## SILVERSTAR CMH 315W SYSTEM

It's the latest innovation in the Silverstar line and is designed for Ceramic Metal Halide technology. Like all the Silverstar products, this reflector is made from highly reflective German textured aluminum for excellent light uniformity and diffusion. It has a multifaceted design that will provide superior uniformity and maximum output. The Silverstar CMH 315W has an integrated HID ballast from Philips which bring significant performance improvements to HID lighting systems, including higher efficiency, optimal lumen maintenance and lamp life. Renown for its quality, Silverstar is always a sure investment.

## PHILIPS IZTMH 315 WATTS INTEGRATED BALLAST

### Benefits

- Significant upgrade opportunity over traditional HID systems
- Viable alternative to fluorescent options
- Excellent color quality and consistent light output from beginning to end

### Features

- IntelliVolt 200-277V input with 92% efficiency
- Dimming to 50% of lamp power
- Metallic Enclosure for optimal thermal dissipation

### Application

- Indoor High-bay, flood and recessed fixtures in retail, institutional industrial and applications

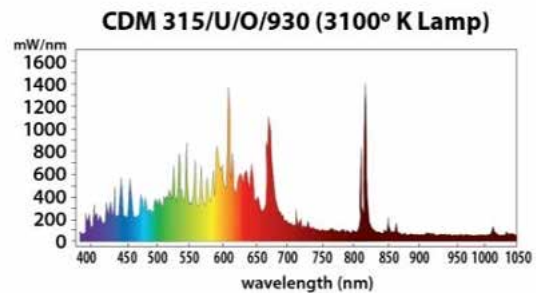

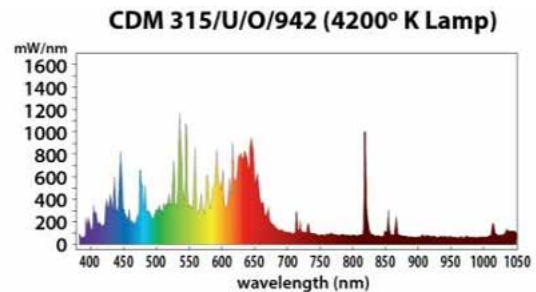

Made In Canada

# SILVERSTAR CMH REFLECTOR 315W BALLAST SYSTEM

## Philips GreenPower CDM 315 Watt Elite MW 3100K Philips Master Color CDM 315 Watt Elite MW 4200K

These Philips lamps features superior color quality and very crisp white light. Incredibly high 1.95 PPF (photosynthetic photon flux) per watt per second light source. 3,100°K color temperature lamp. High 92 CRI, 33,000 initial lumens (105Lm/W). High 90% lumen maintenance at 8,000 hr. High 85% maintenance at 20,000 hr. Double glass jacketed lamp is rated for either open fixture use (without glass lens) or enclosed fixture use (with glass lens). Bi-pin lamp base.
